

# OPTFL06LT-600

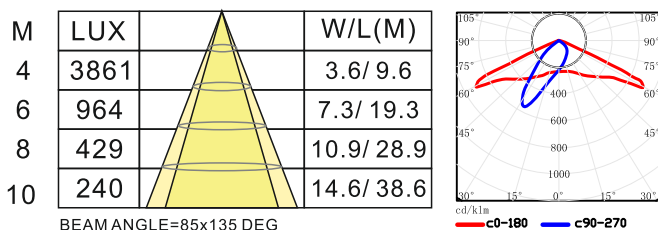

Faretto LED / LED Flood light  
Reflektory LED / LED - Scheinwerfer

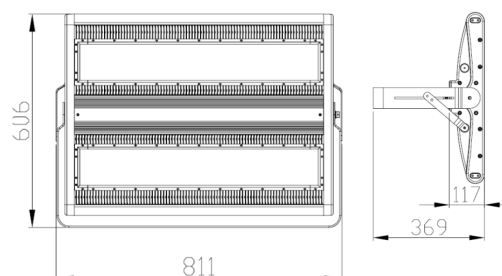

| IT / ENG / PL / DE                                                               |                                                        |
|----------------------------------------------------------------------------------|--------------------------------------------------------|
| Consumo LED / LED power / Zużycie energii LED / LED-Leistung                     | 600W                                                   |
| Consumo / Power consumption / Zużycie energii / Energieverbrauch                 | 660W                                                   |
| Voltaggio / Input voltage & frequency                                            | 90-305VAC, 50/60Hz                                     |
| Napięcie wejściowe i częstotliwość / Eingangsspannung und Frequenz               | > 95                                                   |
| Fattore di potenza / Power factor / Współczynnik mocy / Leistungsfaktor          | Philips Lumileds / CREE / Osram                        |
| Tipo LED / LED type / Typ LED / Typ von LED                                      | 3000-7000K                                             |
| Temperatura della luce / Color temperature                                       | 15x15° / 30x30° / 40x40° / 60x60° / 60x135° / 85x40° / |
| Temperatura barwowa / Farbtemperatur                                             | 85x90° / 85x100° / 85x135°                             |
| Angolo di proiezione / Beam angle                                                | 60.000h                                                |
| Kąt rozsyłu światła / Lichtverteilungswinkel                                     | IP65                                                   |
| Durata / Lifetime / Czas użytkowania / Lebensdauer                               | -40°C~+45°C                                            |
| IP Protezione alle infiltrazioni / IP rating / Stopień ochrony IP / Schutzart IP | A*                                                     |
| Temperatura di funzionamento / Operating temperature                             | 811x606x369mm                                          |
| Temperatura pracy / Arbeitstemperatur                                            | 76000Lm                                                |
| Energy label / Energy label                                                      | > 85                                                   |
| Etykieta energetyczna / Energieverbrauchskennzeichnung                           | Oscuramento / dimming / przyciemnianie / verdunklung   |
| Dimensioni / Product dimensions                                                  | IP66+                                                  |
| Wymiary produktu / Abmessungen des Fabrikats                                     | Meanwell / Philips                                     |
| Lumen / Total Lumens                                                             | ~27,5kg                                                |
| Całkowita ilość lumenów / Gesamte Menge von Lumen                                |                                                        |
| CRI / Color Rendering Index                                                      |                                                        |
| Współczynnik oddawania barw / Farbwiedergabeindex                                |                                                        |
| Opzioni / Options / Opcje / Varianten                                            |                                                        |
| Alimentatore / power supply / zasilacz / netzgerät                               |                                                        |
| Peso netto / Net weight / Waga netto / Nettogewicht                              |                                                        |
